

# Weekly Kent County ARES Net Script

Attention all stations - Attention all stations

This is the Saturday morning test of the Kent County Amateur Radio Club ARES Net. This is a directed net that meets every Saturday morning at 0900 hours Eastern time and lasts approximately ½ hour.

Any station with emergency or priority traffic please call now.

Your net control operator is **[Name]** , **[Call]**. While the primary purpose of this net is to test the club repeater and operating practices, all amateur operators with a valid FFC call sign are encouraged to check into the net when the open call is given. Is there a volunteer to serve as alternate net control?

When checking into the net, please give your call sign once using standard phonetics, then standby until you are acknowledged. Call up will be in the order that calls were received however priority will be given to portable and mobile stations.

Kent County ARES members call now.

Kent County Amateur Radio Club members call now.

Any Amateur anywhere, call now.
